CHECK OUT THE

Greater Tampa Bay PC User Group (INC.)

MEETINGS: GTBPCUG meetings are open to all computer enthusiasts, and BHS faculty, students and staff; our Group is primarily composed of IBM-type computer users.

Holds its regular meetings at 7 PM on the 1st Tuesday of each month, at **Brandon High School** (BHS), 1101 Victoria Street in Brandon in **Room 129**. The room is accessed from the first entrance in the East Parking Lot.

WINDOWS Special Interest Group (SIG) meets on the 2nd Tuesday of each month, at 7 PM. in the same room. Printed handouts assist users when trying the tips and techniques on their own computers. This SIG is lead by Darrell Manns.

The **INTERNET SIG** meets the 3rd Tuesday of each month in the same room, starting at 7 PM. A portion of this meeting is devoted to the basics, and the balance of the meeting covers a range of Internet subjects. Jerry Harris leads this SIG.

FUNDAMENTAL or **NEW USERS SIG** meeting is held on the 4th Tuesday of the month, in the same room, starting at 7 PM. This is NOT a presentation; it is where "You ask; I answer", using a notebook computer and a projector -- be sure to bring your questions.

For those needing one-on-one assistance, a "**Question and Answer**" session starts immediately after the Windows, New Users, and Internet **SIG's** for one half hour.

Anyone may attend any of our meetings. BHS faculty, staff and students are always welcome to attend **SIGs**.

BENEFITS: Membership benefits include a monthly newsletter, monthly meetings, special club member computer assistance, and the advantage of sharing your computer enjoyment with similar enthusiasts.

The monthly meetings feature vendor presentations of the latest software and hardware products. Presentations usually end up with top quality giveaways via a free "members only" raffle

DUES: Club dues are \$12 each year (\$1.00/month), payable each January. New members who join after January only pay for the remaining months of that calendar year at the rate of \$1 per month.
